Chairman's Message

The Ridley Board numbers almost 60 persons, male and female, mostly Old Ridleians, but also a significant number of parents, past parents, and simply friends of Ridley. Let me assure you that the Ridley Board of Governors is composed entirely of dedicated, hard working, and very loyal supporters of our school. As with any other large group, the day-to-day Board responsibilities are those of an Executive Committee, composed of the Board Chairman, the Chairmen of all Standing Sub-committees of the Board, the Vice-Presidents of the School (4), currently active Past Chairmen (2), and, of course, the Headmaster.

The function of the Ridley Board is to establish the policies under which the School operates and to be knowledgeable and current relative to activities and conditions in the School. A list of the Standing Subcommittees of the Board may give you a better insight into the scope and diversity of Board activity. These are the:

- Property Committee
- Finance Committee
- Long-Range Planning Committee
- Financial Support Committee
- Student Financial Assistance and Academics Committee
- Benefits, Pension and Insurance Committee

There are currently a number of very important ad hoc Committees such as the Second Century Fund Committee and the Building Liaison Committee which, though very active at the moment, will disappear when their purpose is accomplished.

Almost 20 years ago, the Ridley College Foundation was established to administer and oversee Ridley's Endowment Funds. There are about 35 members of the Foundation, many of whom are Board members or past Board members. The executive committee of the Foundation is called the Ridley College Foundation Board of Trustees. The Foundation has just one standing subcommittee, the Investment Committee, which, recommends investment policy to the Trustees, and which oversees the activities of our firm of money managers and of the trust company where our holdings are repositied.

The Ridley College Foundation administers most but not all of the Ridley Endowment. The remainder is found in the U.S. Ridley College Scholarship Fund Inc., located in Buffalo with its own Administrative Board. Almost all charitable donations to Ridley College by residents of the U.S.A. are channelled through the U.S. Scholarship Fund, which annually passes on to the School approximately \$50,000, for use in our Scholarship — Bursary programs.

As I complete my fifth year as Chairman of the Ridley Board of Governors and of the Ridley College Foundation, I want to express my deep appreciation, and that of the School administration, for the continuing dedication and selfless support we receive from our Board members.

D.C. McFarlane, M.D., F.R.C.S.(C), '44
Chairman, Board of Governors and Chairman of the Ridley College Foundation

Headmaster's Message

This second Ridley annual report is intended to give both members of the Ridley Family and outsiders a broad picture of the general fiscal, annual giving, foundation/endowment, and 2nd Century Fund situations of Canada's largest primarily boarding independent secondary school. Assembled as Ridley's 98th year is well underway, the report can also give an overall picture of the school as it approaches its 100th birthday.

Upper School (grades 10 to 13) is, if anything, overfull this year with 430 students, of whom 148 are female. The Lower School has 147 students, and includes 35 girls, 16 of them boarders in grades 8 and 9, housed in the 3rd flat of Mandeville wing. Ridley continues its strong tradition of international representation: among the 199 new students at Ridley this year, 33 have U.S. addresses; 11 are from Hong Kong, 9 from Mexico, 8 from Trinidad, 8 from Bermuda; 4 Venezuela, 4 Bahamas, 3 Jamaica, 2 Grand Cayman, 2 Netherland Antilles, 1 Ethiopian, 2 Indonesians, 2 Spaniards, 3 exchange students from France, and 2 from England. Of Canadians new to Ridley, 140 are from Ontario, 4 from Quebec, 3 from Alberta, 3 from B.C., 3 from Newfoundland, 1 from Manitoba, and 1 from the Northwest Territories.

Counting loan funds, over \$600,000 has been dispersed for the 1986/87 school year in the form of financial assistance, most of it in bursaries. Ninety-two students at Ridley (65 old students and 27 new students) are on some form of financial assistance this year. This represents 16.1% of the student body. The School and the Board of Governors hope that additional scholarship and bursary funds donated to the 2nd Century Campaign will enable us to increase the percentage of students on assistance to, perhaps, 1 out of 4 by 1990.

All of us at Ridley are extremely grateful for the tremendous support which friends of the school and those committed to independent secondary education have made during this past year. Our Annual Fund was the biggest ever, despite some "gloom and doom" predictions that 2nd Century would eat into Annual Giving. The 2nd Century Fund, as will be obvious from the specific report on that, is doing extremely well. My trips to 20 different 2nd Century Kickoffs across Canada, Bermuda, and the States, have shown a Ridley Family that is healthy and enthusiastic about the school and its future. A particularly gratifying aspect of many of these meetings is the presence of young alumni, just a year or two out of Ridley who are undergraduates at local universities, attending along with veteran alumni from the '30s and even some from the '20s, together with past and current parents.

We also had the largest turnout for Association Weekend in the history of the School — and, indeed, the Great Hall was pressed in terms of feeding the 300+ for the dinner and dance. A great faculty, an excellent student body, loyal alumni and parents, and a hardworking and devoted Board of Governors make Ridley a vibrant and stimulating place for anyone to be associated with this year.

H. Jeremy Packard, MA, 6th Headmaster of Ridley College

Finance Committee Chairman's Report

The school opened fiscal 1985/86 with an operating deficit of \$508,000. The results for fiscal 1985 had been very disappointing, with a loss of \$157,000 for the year. The Finance Committee, with the concurrence of the Board of Governors, embarked on a program to reduce the operating deficit down to \$200,000 over a three year period. As the 1985/86 school year began, we had strong enrolment and it was hoped that with tighter controls over expenditures we would be able to realize a reduction in the deficit of \$182,000. In fact, the school was even more successful than this fairly aggressive budget had hoped for, and fiscal 1986 finished off with a deficit reduction of \$230,000. The success of fiscal year 1986 can be attributed to many things, including the close monitoring of so-called discretionary expenses by the school's administration and the postponement of certain other expenses which may have to resume in future years. With a reduced year-end operating deficit of \$278,000, the goal of \$200,000 would appear attainable over the next two years.

The school's financial position continues to remain strong, with total assets in the operating fund as at June 30, 1986 of \$1,035,000. Net book value of fixed assets contained in the properties and equipment fund was \$4,561,000. Total revenues for fiscal 1986 were approximately \$7.5 million, representing an increase of 15% over the previous year. Further information concerning the school's financial position and results can be obtained from reviewing the accompanying condensed financial statements.

The Finance Committee continues to work closely with the school administration in setting the budget for the school, including the level of fees charged to students, and monitors the actual versus budget results throughout the year. The Committee meets with the school's auditors on an annual basis to review the year-end financial statements and to discuss with the auditors any concerns they might have concerning the school's operations. The Committee also meets frequently with the school administrators and deals with many aspects of the school's operations.

The Committee is comprised of several Governors of the school, members of the Ridley Family, the Headmaster, and two staff representatives, chosen by members of the faculty.

While the school is financially sound, it depends to a great degree on the generosity of the Ridley Family. The Finance Committee applauds and thanks all those who gave so unselfishly in fiscal 1986.

Andy Chant, '63, presents the 85/86 Reunion Year giving cheque to Jere Packard, Association Weekend, 1986.

Financial Support Committee Chairman's Report

I am delighted to report that in the 1985/86 Ridley Fund Year, we surpassed our goal of \$225,000, with total contributions actually coming in at \$232,770, while the total number of contributors increased slightly to 1,776. Our current year's target is \$240,000. May I, on behalf of the Board of Governors, thank each and every member of the fund-raising team and the Ridley family for your overwhelming support.

The Ridley Fund has designed "Reunion Year Giving" to specifically appeal to classes having their reunion celebrations during the campaign year. This new program resulted in a total contribution from these classes of \$35,065, representing an increase of \$13,447 or 62% from their 1984/85 contributions. This is certainly a terrific start to our Reunion Year Giving Program.

Total annual gifts to Ridley amounted to \$408,248. As you can see from the accompanying statistics on page 7, this figure includes many gifts to the School other than those to the Ridley Fund.

1985/86 also saw a "changing of the guard", with Sam Heaman retiring in August and Bob Stanley taking over the reins. Sam has agreed to concentrate on developing our Bequest Program as a way of continuing his dedicated involvement with Ridley fund raising while also easing into retirement.

I would like to extend my personal thanks to Ruth Lauzon and Dora Callender of the Association office, who worked so hard on the 85/86 campaign. Thanks are also due to Bob Stanley and Virginia Medland, who organized and coordinated the Ridley Fund. To the members of the Financial Support Committee, I wish to offer my thanks for your guidance and support during this past year.

Finally, on behalf of all members, past and present, of the Financial Support Committee, I extend my very best wishes to Sam Heaman for a happy, healthy, and enjoyable retirement.

The results this past year were "GREAT", and to all of you "GREAT RIDLEIANS", thank you.

Ridley College Association President's Report

It gives me great pleasure to congratulate all those Association members who worked so diligently on behalf of the Ridley Fund, either as solicitors or donors. You should be extremely proud of your contribution to the overwhelming success of the Fund. Through your efforts, the Fund surpassed its objective of \$225,000 and reached over \$232,000. I would also like to thank Sam Heaman for an outstanding finish as Secretary of the Association and Ridley Fund. He was ably assisted by Bob Stanley, Dora Callender, and Ruth Lauzon.

The Association has four basic objectives which it pursues:

1. The promotion of a bond of fellowship amongst its members through connection with the School;
2. The furtherance of interest in and financial support of the School;
3. The promotion and fostering of interest in the School by current and past parents; and
4. The promotion and fostering of interest in the School generally.

Members of the Association include alumni, current and past parents, current and past staff, members of the Board, and friends of the School.

The Association pursues its objectives through various sub-committees, including the Father's Guild, the School Life Committee, the Annual Reunion Committee, the Social Committee, the Women's Guild, and the Recruiting Committee, which works closely with the School's admissions office. If you feel that you would enjoy working as a member of any of these committees, we would love to hear from you.

I would like to thank the Executive Committee for its support throughout my year as president, and also want to thank those Association members who came out and participated in our planned events. We have worked hard to foster a bond of fellowship which will continue for many years to come. I look forward to the continued strong activities of the Association under our incoming president, Mr. Jay Gould, '73.

Women's Guild Field Secretary's Report

In 1923, a small but enthusiastic and dedicated group of women met to form the Ridley College Women's Guild, which has evolved into a very active and productive organization throughout the years. Our founders' credo was to help make Ridley "a greater power for good in the country" through service to the School and fellowship among Ridleians.

The three branches of the Guild in London, Toronto, and Niagara present substantial annual contributions to the School. These contributions are directed to various uses, including the Bursary Fund, non-budgeted items for the School, and, currently, the Second Century Campaign.

The Toronto and London branches actively raise funds through special projects such as theatre nights, fashion shows, dinner and auction galas, and other equally entertaining events. Recently, these branches have purchased a new bus for the School, furnished the Griffith Viewing Room and rotunda of the Social Science Wing, and provided a new piano for the Lower School.

The Niagara Branch, through its close proximity to the School, has established services and events which have become an integral part of Ridley life. The selling of mementoes, the annual staging of the Big "R" Bazaar, the Clothing Exchange, and hospitality services in the arena during hockey games are but a few of the activities of this group.

Through the association and loyalty of mothers, wives, sisters, and daughters of Ridleians, members of the Women's Guild proudly uphold the original goals of the Guild in a very positive way. Should you have an interest in becoming a member of our organization, please don't hesitate to contact me through the School's office.

Field Secretary,
Ridley College Women's Guild

Ridley College Foundation Investment Committee Chairman's Report

Ridley has two main endowment funds — the U.S. Ridley Scholarship Fund Inc. and the Ridley College Foundation Endowment Fund. This report outlines the principal features of the Canadian Fund whose securities are lodged with a major Canadian trust company. The active investment of these funds is entrusted to a professional money management firm, under the direction of the Investment Committee of the Board of Trustees of the Ridley College Foundation. The Investment Committee is comprised of members of the Ridley Family, whose expertise is relevant to investments and investment management.

Approximately one-half of the endowment funds are invested in equities, both Canadian and American. The remaining half is in fixed income securities, approximately one-half in bonds and one-half in mortgages. Generally, these bonds and mortgages have a five year maturity date or less.

Theoretically, the current rate of inflation as a minimum is retained within the portfolio, to ensure that the funds will continue to grow and support Ridley College in a meaningful way.

The actual amount of funds available to support Ridley in its many activities is set as a percentage of the market value as at December 31 each year to apply to the next school year beginning July 1. For our current school year beginning July 1, 1986, the Endowment Fund will provide \$453,452 which happens to be 7% of the market value of the Fund as at December 31, 1985. This money, together with receipts from the annual Ridley Fund Drive, supports scholarships, bursaries and property committee budgets.

In any given year, where the Foundation has an excess of receipts over disbursements, this excess is capitalized and added back to the individual capital components of the endowment funds. In this way, a specifically named block of endowment capital will retain its initial donation amount and will receive the benefit of the income retained within the portfolio.

All of these policies and procedures are designed to provide for financial support of Ridley College both now and for many years to come.

The Investment Committee also oversees the investment of the assets of the Ridley College Pension Plan whose income goes to support the staff retirement program.

Investment Committee of The Ridley College Foundation

Second Century Campaign Chairman's Message

In the midst of an age of often meaningless rhetoric, the Ridley Family has banded together once again in a superb display of the type of spirit which is bound to hold the School in good stead both now and well into the future.

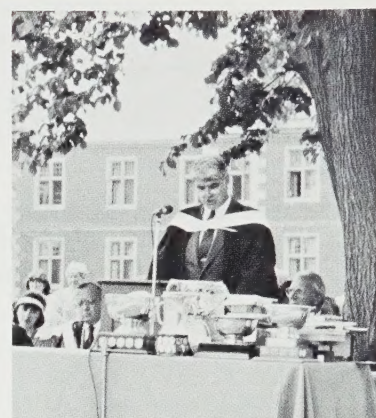

The Second Century Campaign, with its goal of twelve million dollars, is an ambitious project which has been tackled by the Family and which I know will be seen through to a successful completion. One of my privileges as Chairman of the Campaign is to report to you on the progress of this exciting drive for the continuing health and future of Ridley.

To June 30, 1986, a total of \$7,349,932 had been either received or pledged to the Campaign. I trust that all members of the Ridley Family will both take pride in and respond to this unprecedented display of belief in the School and what it has to offer, a display which goes a long way towards proving that indeed the inimitable Ridley spirit is more than an intangible feeling. It is the basis of our continuing commitment to the education of our youth.

As you no doubt realize, the Second Century Campaign is committed to not only increasing the school's physical capabilities, but also to increasing the endowment of Ridley College in order that financial considerations are not a barrier to the entrance of students who indeed will contribute to and enhance the Ridley community. One very memorable project resulting from the Second Century endowment increase has been the establishment of the Terence Cronyn Chair in English and Drama. Awarded for the first time this past spring, the Terence Cronyn Chair will soon be followed by the Dr. J.R. Hamilton Chair in Science. The Chair programme will further add to the existing excellence of the Ridley Faculty.

The actual construction of the Second Century Building is forecast to begin in the spring of 1987. I want to thank the School's Family for its support so far, and I look forward to working with each and every one of you as we work towards the School's Second Century.

Financial Assistance Endowment of Ridley College

The annual disbursement of financial assistance monies is made possible through the income from endowed awards as well as through annual gifts.

During the past two fiscal years, a number of new endowment funds have been established as part of the Second Century Campaign. In fact, the Second Century Campaign is raising \$2,750,000 for additional endowed assistance awards. Certain endowment gifts to the Second Century Campaign qualify for a matching grant from the Ridley College Foundation. As a result, endowment gifts to Second Century of a minimum value of \$7,500 are effectively doubled and provide immediate financial assistance to those qualified students who require it.

An increase in Ridley's financial assistance endowment is of great benefit to the School, and all Ridleians and friends of Ridley with an interest in either adding to existing endowment funds or establishing new ones are encouraged to do so.

New endowment funds established during the past two fiscal years are as follows:

The Stephen R. Court Memorial Scholarship Fund was established by the family and friends of Stephen R. Court, following his tragic death in January of 1985.

The Samuel I. Anderson Memorial Scholarship Fund was established by Samuel I.A. Anderson, '45, in memory of his father in July of 1984.

The Janet L. Matthews Memorial Scholarship Fund was established in May of 1985 by Jennifer Matthews Connolly, Robert O. Matthews, '56, Wilmot L. Matthews, '54, Donald Matthews, '60, and John E. Matthews, '61, to honour their mother.

The Banville Manitoba Scholarship was initiated by the family of J. Omer Banville with gifts to Ridley in 1984. To this fund have been added gifts to Second Century by Manitobans designated to the scholarship fund.

The Alberta Ridley College Scholarship Centennial Endowment Fund was initiated by Albertans to provide annual assistance to qualified students from the province of Alberta. The fund does require further financing.

The Class of '65 Scholarship Endowment Fund was established by the Class of '65 as part of its twentieth reunion fund-raising drive in 1985/86. The \$7,500 raised was matched by the Ridley Foundation to provide starting capital of \$15,000.

The Bermuda Ridley College Scholarship Endowment Fund, the British Columbia Ridley College Scholarship Endowment Fund, and the Newfoundland Ridley College Scholarship Endowment Fund were all established by Ridleians and friends of the school in their respective regions. Each of these funds requires further financing.

The Terence Cronyn Chair in English and Drama was initially established by lead gifts from the McCarthy family and the Hope Charitable Foundation. Subsequent generous contributions to the Chair were made by the Chaplin family and other friends of the late Terry Cronyn.

The Mandeville family has established a \$250,000 Maintenance Fund for the new Second Century Building. Subsequent contributions to the fund to a maximum of \$250,000 will be matched dollar-for-dollar by the Mandeville family to provide total capital for the Maintenance Fund of \$750,000.

A western Canadian family has established a Business Lecture Series Endowment Fund to provide income to support lectures in entrepreneurship.

Ridley's existing endowment consists of funds designated for various purposes, including financial assistance, prizes and awards, maintenance of the school's buildings and property, and the important undesignated endowment funds.

Most of the income from Ridley's endowment is used for financial assistance. A short description of the various sources of assistance follows, including an indication of each source's current capital value and annual award.

The Katharine Alexander Scholarship was established in 1929 by the late Dr. J.O. Miller, Headmaster of Ridley from 1889 to 1921, in memory of his wife. Capital value: \$2,511. Annual award: \$300.

The Terence Cronyn Memorial Scholarship was established by the Mandeville Foundation in 1983 in memory of Terence Cronyn, '20. Capital value: \$120,000. Annual awards: Two of \$4,500 each.

The Evelyn Dobson Memorial Scholarship was established in 1983 by Mr. Albert Dobson in memory of his late wife. Capital value: \$19,423. Annual award: \$1,000.

The Edward Douglas Gooderham Memorial Scholarship was established in 1953 by the late Mrs. E.D. Gooderham in memory of her late husband. Capital value: \$15,619. Annual award: \$1,100.

The George Horace Gooderham Scholarship was established in 1954 by the late Mrs. George H. Gooderham and Henry S. Gooderham, '13, in memory of their late husband and father. Capital value: \$19,517. Annual award: \$1,400.

The Ethel Clare Griffith Memorial Scholarship was established by A.H. Griffith, '36, and Mrs. Joan Fry, '36, in memory of their mother, wife of Dr. H.C. Griffith. Capital value: \$8,975. Annual award: \$600.

The H.C. Griffith Memorial Scholarship and the J.R. Hamilton Memorial Scholarship were established in 1966 in memory of Dr. H.C. Griffith and Dr. J.R. Hamilton. The scholarships are both capitalized at \$20,348, and each provides an annual award of \$2,000.

The Hamilton-Stone Memorial Scholarship was established in 1966 by Mr. and Mrs. Hector Stone in memory of both Dr. J.R. Hamilton and their late son, Robin Lawrence Stone, '64. Capital value: \$30,300. Annual award: \$2,000.

The Clarence Aylmer Langley Memorial Scholarship was established in 1952 by the will of J.P. Langley in memory of Clarence Aylmer Langley, '07. Capital value: \$15,621. Annual award: \$1,100.

The Reuben Wells Leonard Memorial Awards Fund was established by the will of Reuben Wells Leonard, a member of the Board from 1911 to 1930. Capital value: \$875,632. Annual award: \$63,200.

The Alan MacLachlan Memorial Scholarship was established in 1961 by Commander and Mrs. K.S. MacLachlan in memory of their son, Lt. George Alan MacLachlan, '39, killed in action in 1944. Capital value: \$69,663. Annual award: \$5,000.

The Peter MacLachlan Memorial Scholarship was established in 1981 by Mrs. K.S. MacLachlan in memory of her son, the late Peter MacLachlan, '42. Capital value: \$64,447. Annual award: \$4,600.

The Vieve K. Matthews Fund was established in 1976 through the estate of Vieve K. Matthews in memory of her son, the late Kelly Matthews, '32. Capital value: \$159,870. Annual award: \$14,000.

The Memorial Scholarships were established by the Board in 1937 in memory of Old Boys who made the supreme sacrifice in World War I. **The Dr. John Ormsby Miller Scholarships** were established by the Board in 1937 in memory of Ridley's first Headmaster. **The Ernest Gregory Powell Memorial Scholarship** was established by Mrs. E.G. Powell and her son E. Osborne Powell, '29, in memory of Ernest G. Powell, a member of Ridley's faculty from 1900 to 1946. The award was enhanced in 1954 by the Board so as to become an annual scholarship. **The Ridley College Association Scholarship** was established by the Association in 1967. **The H.G. Williams Memorial Scholarships** were originally Reading Prizes donated by the late H.G. Williams, and were rededicated as Memorial Scholarships by the Board in 1954.

The awards outlined in the above paragraph have been pooled with a capital value of \$40,609 and an annual award of \$9,000.

The William H. Sims Memorial Scholarship was established in 1954 by Mrs. W.H. Sims and her sons, David J.D. Sims, '55, and William J. Sims, '58, in memory of the late William H. Sims, '27. Capital value: \$7,028. Annual award: \$500.

The Alexander Crosby Snively Scholarship was established by the will of the late Alexander Crosby Snively, '00, in 1960, and augmented by a bequest of the late Mrs. A.C. Snively, in 1971. Capital value: \$7,812. Annual award: \$550.
